

Your 2012-13 recycling calendar

Recycling is collected every-other-week (shown in blue)
on your regularly scheduled garbage day.

Thank you for your continued efforts with our solid waste program and for recycling abundantly.

- Bulky waste is anything that won't fit inside and isn't allowed in your garbage cart like furniture, construction and demolition debris, tires, scrap metal (including lawn equipment, bicycles, etc.) electronics and appliances. Cart lids must be able to close completely. Please remember to call 704.920.5555 to schedule all bulky waste collections.
- Extra bags of trash and recyclables placed outside your cart will not be collected.
- Twice per year, for special occasions, parties and family reunions, the City will collect a small amount of extra bags. Please call 704.920.5555 to schedule all special occasion collections.
- Those who consistently have more garbage than the green rollout cart can hold may call 704.920.5555 to reserve an extra brown garbage cart for a monthly fee.
- Recycle cardboard the right way! All cardboard must be flattened for collection. Place flattened cardboard 2ft.x2ft. or larger under the closed lid of your recycle cart. Quantities too large to fit under the lid should be flattened and stacked neatly beside your recycle cart.
- Register to receive collection schedule changes and other important updates via phone, text, or email through our secure Blackboard Connect Portal at ConcordNC.gov.
